Form **14242** (October 2016)	Department of the Treasury - Internal Revenue Service **Report Suspected Abusive Tax Promotions or Preparers**	OMB Number 1545-2219

Form 14242

1) Describe the suspected tax scheme being promoted:

TAMAYO TAX and INSURANCE has been fabricating bankruptcy by producing false bank statements for WELLS FARGO using methods of impersonation to su substitute my mother, ALMA DIANA DE HOYOS, whose last residence address is 612 Charles Street Pasadena,Texas 77506 her last phone number from Criket Wireless 713-470-7683 which was located in Channelview, Texas during a time of her disappearance when a "step-in" substitute came back in her vehicle. This was after Mark D. Nemic, field engineer at ALTURA COMMUNICATIONS as posted on LinkedIn who previously used a MetroPCS 832-886-9096 and APPLE Inc to bind RFC Brainpool protocols. This was also In 2021 after activating a Generative Artificial Intelligence to broadcast translated feedback using voice-bots and exchange servers to interconnectivities in convergence.

A-Mobile Bail Bonds, Jason Carl Pennington and co-signer Alfred Galindo are mapping 3D algorithms from dagnostics retrieved from my PHI to integrate intellectual property and to

encrypt command chain using a Cingular Wireless PCS number that has a suspected coding ICCID sim card or the number intercoded and linked to developer platform computer language designed to hook involuntary APIholders who are then exposed to a variety of select command chains. This ID the reason for the several profiles created for ESTEBAN TAMAYO on opencorporates.com.

If you ask Wells Fargo for my mother's activity records, as I previously have, you may get a response that says, "she is not found in the system." This raises question for cross examiners as we discover an interest and marvel at how ERIK IVAN RIVERA, me, was opened a Wells Fargo account by the initial deposit of $200 that stemmed from his mother,s account, yet his account still shows in their bank system.

2) . How did you become aware of the promotion or promoter (e.g., seminar, internet, email, TV, flyer, newspaper, magazine, friend, relative, etc.)

Insight brainstorming after noticing the death insurance policy with my name on it from STATE-FARM which raised a flag, as I am in good health. Diana Dozal told me that Esteban supplied the state-farm insurance to the black Lexus ES330 that she bought for me, which was set on fire.

3) When did you first learn about the tax promotion (mm/dd/yyyy)

09/27/2024

6) Describe how the promoter or preparer was involved in the promotion

I found this number +1-832.291.9998 attached to my forwarding all calls to when I missed a phone call to me. I could not believe my eyes. I blocked this number and going to report it to my local authorities and the Federal Trade Commission. This is possibly the hacker out of six that is still stalking me from last year to present. Please be aware of your surroundings. Thank you for letting me share Ms. Toni Aull

I found this phone number in my phone as I was checking features as I have just purchased it from Cricket mobile. It is something about my calls should be forwarded to it.

This is the street that the vehicle my mother bought me, LEXUS ES330, Was broken into, the documents, vital health records in my backpack were exposed, car battery stolen, also this man provided my mother, Alma Diana Dozal at Cricket Wireless phone number, 7134707683 STATE-FARM INSURANCE for the vehicle.

I now receive threats that he will deactivate the link to the integrated (core) Corporate IP, which he has been using to code with a cognitive program that I found eavesdropping under my developer settings under label:
